# Seniors

So much to look forward to as you end these last four years!

Want to know the key to not failing in the next 10 years? This may sound strange, but the key to not failing is to fail, and fail often.

In those failures, you will find that you will stop worrying about the trivialities, about appearances and paychecks and pleasing other people.

students can participate in as many events as they choose.

# Homecoming

# OSA Events

The Office of Student Activities is constantly working to entertain Elizabethtown College students. They plan events such as movie nights, game nights and dance lessons as well as book comedians and musical performers.

# Mr. Etown

Matt Walters competed against Elizabethtown's finest gentlemen to win the title of Mr. Etown in a packed Leffler Chapel on March 15, 2013.

# Junior/ Senior Formal

# TGIS 2013

Whatever you're in the mood for, Elizabethtown College has it!

# Basketball

The Elizabethtown College men's basketball team recently completed a three-game tour in Prague, Czech Republic. While overseas, the Blue Jays picked up a victory and were able to bond and explore the city in hopes of building towards a successful 2013-14 season.

# Track

Elizabethtown College had 68 student-athletes named to the Middle Atlantic Conference Spring Academic Honor Roll Friday, third most of the conference's 18 member schools.

To be eligible for the honor roll, student-athletes need to be of sophomore class standing or higher, participate in a varsity-level sport, register a cumulative grade point average of 3.20 (on a 4.00 scale) or higher, and complete the playing season in good standing.

In addition to the 798 student-athletes who were placed on the Spring Academic Honor Roll, six student-athletes achieved a 4.00 grade point average.

# Swimming

Elizabethtown got 10th-place swims from Ryan Hannon in the 200-yard backstroke and Ryan Supplee in the 200-yard breaststroke to finish ninth in the team standings at the 2013 MAC Championships in Wilkes-Barre.

Elizabethtown also qualified three swimmers for the 'B Final' of the 100-yard freestyle and took eighth in the 400 freestyle relay to wrap up competition at the Middle Atlantic Conference Championships. As a team, the Blue Jays finished 10th.

Sophomore Becki Lane led E-town's trio of representatives in the 100 free 'B Final'. Lane pushed to 10th-place in 56.35, while Rachel Engelhardt was 13th (57.03) and Jennifer Malik 16th (57.58). Engelhardt and Malik both set their season-best times in the event in the 'B Final'.

# Wrestling

The switch to regional qualifying tournaments seems to suit Elizabethtown wrestling just fine. The Blue Jays won the team title at the inaugural NCAA Division III Mid-east Regional Championships Saturday hosted by Ohio Northern University. They did it on the strength of a 141-pound championship from freshman Jesse Meaney, and runner-up finishes by Chad Lammer (133), Julian Meaney (184), Phil Landis (197) and Jeremy Rieth (285).

All five guys are headed to the national tournament in Cedar Rapids, Iowa in two weeks time. Meaney, a freshman, blew through the 141-pound bracket with three falls and a decision. Seeded fourth, he opened the tournament with a 93-second pin of Ohio Northern's Shaun Lee. Meaney moved into the semifinals with his second victory over York's Chuck Glatz

in the last 15 days

# Cross Country

Elizabethtown College seniors Aaron Focht and Taryn Shank were named Middle Atlantic Conference Scholar-Athletes in the sports of men's and women's cross country Thursday afternoon. The MAC chooses one senior student-athlete from each sport who has a minimum 3.2 GPA and competed in a fall sport. The selections, made by the MAC Awards Committee, are equally based on academic record (50%) and athletic prowess.

Focht is a four-year varsity letterwinner for the Blue Jay men's cross country team and ran to All-MAC finishes in three of his four years on the team. As a sophomore (fifth) and senior (seventh), Focht earned All-MAC First Team accolades. As a junior, he took Second Team honors, but went on to become an all-region selection with a 35th-place finish at the NCAA Division III Mideast Regional Championships.

# Golf

Elizabethtown sophomore Ryan Laudeman posted a second round score of 82 Sunday afternoon to tie for sixth at the conclusion of this weekend's Commonwealth Conference Golf Championships. Laudeman took home all-conference second team honors for the second straight season and the Blue Jays played to within seven strokes of their first round team score to finish sixth.

Laudeman just missed out on being a part of the first team, finishing one shot behind Stevenson's Will Ellis for the fifth and final spot. The Jays' leader in scoring average had a tournament total of 160 (+18) tied with Alvernia's Casey Osborne and Chris Van Natta

## Volleyball & Field Hockey

A 12-win improvement by the Elizabethtown College volleyball team from last season to this season was recognized when four Blue Jays were named to the All-Commonwealth Conference teams. Senior middle hitter Lindsay Palm led those selections with First Team honors for the third straight year.

Record-setting senior forward Nadine Yunginger has been named to the Longstreth/NFHCA All-South Atlantic

Region First Team. Yunginger is coming off a senior season in which she set the program's single-season and career assist records. The National Field Hockey Coaches Association announced its all-region teams.

# Softball & Baseball

Senior Dillon Tagle and redshirt junior Kyle Gable of the Elizabethtown baseball team were recently honored for superb 2013 seasons with inclusion on the ABCA/Rawlings NCAA Division III All-Mid-Atlantic Region teams. Tagle represented the Blue Jays on the Second Team at catcher, while Gable was named Third Team shortstop.

Two members of the Elizabethtown College softball team were named to the 2013 Commonwealth All-Conference Team in an announcement by the league office. Senior infielder Elly McCarthy was voted to the Second Team, her third selection in four years. Sophomore outfielder Kaylee Werner was voted as Honorable Mention.

# Lacrosse

Elizabethtown men's lacrosse has placed four players on this year's All-Commonwealth Conference teams, as chosen by the league's coaches. First Team selection Cory Boushell and Honorable Mention Nick Thompson both received their second all-conference honors

Alexis Morris of the Elizabethtown College women's lacrosse team has been named Capital One Third Team Academic All-America® in the at-large category. Morris graduated with a degree in corporate communications on May 18 and becomes the program's first Academic All-America selection.

# Soccer

Elizabethtown College and Alvernia University men's and women's soccer teams raised nearly \$1000 for cancer research in a collaborative effort that took place when the two schools faced off in Commonwealth Conference action at Ira R. Herr Field.

All players wore special "Kicks for Cancer" pink t-shirts in warm-ups, as did the officials during the two games.

"The evening was about more than our competitive passion for soccer," said long-time Elizabethtown head coach Skip Roderick, himself having battled —and beaten— cancer within the last 12 months. "Cancer is something that, in some way, shape or form, has personally touched us all. The response from parents and fans of both schools was overwhelming and gratifying."

# Tennis

As it has every year since 2009, the Commonwealth Conference Men's Tennis Championship match will feature Elizabethtown College. The top-seeded Blue Jays punched their ticket to the final with a 5-0 sweep of Lebanon Valley at the Alumni Courts. Elizabethtown now awaits the winner of the Messiah/Alvernia match.

No. 18 Tufts University proved too strong for an Elizabethtown women's tennis team that made its second straight appearance in the Second Round of the NCAA Division III Tournament. The Jumbos swept three doubles matches and went on to win two singles matches for a 5-0 victory at the indoor Lansing Chapman Rink, ending the Blue Jays' season at 17-4.
